## Our Commitment

Bengard was established in 1968 as B&B Manufacturing, Bengard has the most comprehensive product line in the industry, including carpet, ceramic, laminate, vinyl, resilient and hardwood trim. Bengard is a one-stop shop for all of your accessory needs - your floor moulding specialist.

The one thing that has remained constant over our 40 years is the Bengard's commitment to excellent customer service. At Bengard, this means meeting our customer's requirements in all aspects of the business. Our dedication to the ideal, inspired by a complex and constantly evolving marketplace, has led us to specializing in the area of Flooring Transition Mouldings.

Our goal is to be the Global leader in Floor Covering Accessories. This can only be accomplished by offering great products, great service and by the actions of our associates.

■ CM1200

Carpet to Tile Divider for use where commercial carpet meets tile. Flexible lip allows use with 3/16" - 1/4" carpet meeting 0.080" - 1/8" tile.

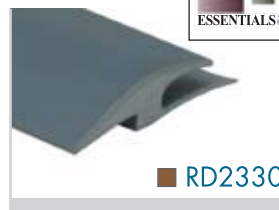

Length: 12ft  
Pieces: 20 pcs per tube

■ RD2400

Commercial carpet to ceramic or hardwood Divider. For heavy duty traffic where ceramic or hardwood meet carpet

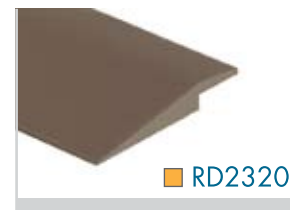

Length: 12ft  
Pieces: 5 pcs per tube.

■ RD2330

Carpet to Tile Reducer. Creates an attractive, safe transition between carpet and VCT. The edges of both floor coverings can easily be tucked in to protect them from damage. The bottom lip is designed to enable the carpet and moulding to be glued together and secured to the floor.

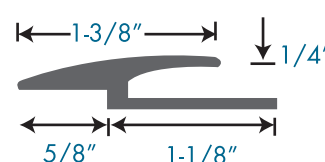

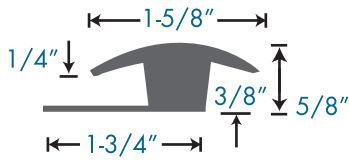

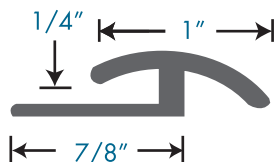

Length: 12ft  
Pieces: 10 pcs per tube

■ RD2320

Overlap Tile Reducer for use with resilient flooring from 0.080 - 0.125" thick.

Length: 12ft  
Pieces: 20 pcs per tube
